

AFTER SCHOOL PROGRAM Registration Information

Hello Queen City STEM School Parents, the 2017-2018 school year is here! Nspire-Us Foundation sincerely hopes your summer was great and we look forward to inspiring your scholars. At Nspire-Us After School Program your scholar will have the opportunity to complete their homework and enjoy fun sports and art activities while making new friends. Beyond supporting your scholar's academic initiatives, we also believe in developing their social skills. We will have group discussions on subject matters that will encourage them to be aware of their choices and how their choices effect themselves and others. If you have any questions, please contact Demario Baker at demariob@nspireusfoundation.org or call 704-258-7098. Below are just a few things we want to make you aware of.
