winter break

We hope everyone has a fun and safe winterbreak!
We will see all of you on Tuesday, January 5, 2016.

A Message from the Principal

Dear Parents and Students,

As we approach the Winter Break, I would like to first take this opportunity to wish each of you and your families a most happy, healthy holiday season! I hope our December Newsletter finds you all well and I hope that you will have a chance to relax and enjoy some special times with your children. It also is vitally important that during those days off from school, that you continue to work with your child on learning. You can find so many ways to spend time with your child - play with, read with, count numbers with, tell stories to each other, use the numbers on license plates, count, subtract. We need to keep our brains working and learning all the time. Continue to work with your child at home on learning skills that help them get better in reading and math.

Parents, thank you so much for working with your child at home on school work so they are better prepared for school. Have a wonderful winter break and Happy New Year.

Mr. Akyurek
