Monday, January 18, 2016

Martin Luther King, Jr. Day - NO SCHOOL

Testing in January

There will be testing throughout the month of January. Everyone should have received their child's specific MAP testing schedule. Some classes will have testing that starts at 8:00 a.m. sharp, so please make sure your children are dropped off with plenty of time to prepare for 8:00 a.m. testing.

Kindergarten through 3rd grade will also be taking the DIBELS assessment in addition to the MAP tests. More information will be sent out about this additional testing.

Clubs

Next week, you will be receiving an email with a link that will allow you to choose a new club for your student. The Yearbook Club, Science Olympiads and Robotics club will all stay the same. We will also be adding new clubs such as Girls on the Run.

Awards Assembly

Thursday, January 21, 2016 will be our first awards assembly. Children will be recognized for a variety of achievements. You will receive an email soon with more details so we can celebrate this exciting time together!

DRESS DOWN DAY TOMORROW!

Tomorrow will be our first dress down day of the year. We will celebrate by allowing all children to dress down tomorrow.

Tomorrow will also be the first treat cart of the year, so make sure to send your child with their quarters.

We are looking forward to a great 2016 here at Queen City STEM School!
