Welcome
Summer!!!

Set a goal for yourself to read 20-30 minutes each day, more if you like to read.

Read books that you like, but also pick out new books like Poetry, Non-fiction, and Biographies.

Parents – encourage your student to not only read but comprehend what they are reading. Ask questions about the story line and characters. Question them on their favorite characters and what makes that character stand out. Challenge your student to read books that embody their future goals.
