Welcome
Summer!!!

Set a goal for yourself to read 20-30 minutes each day, more if you like to read.

Read books that you like, but also pick out books with characters that you normally wouldn't read like poetry, books with facts, silly picture books, and etc.

Parents – be sure to engage your student as they read. Make reading fun for the family by using games like charades. Ask them questions about the story or have them retell it. For the more adventurous reader, they may want to act out their favorite scene..
